Dear Child Care Provider,

This letter is in regards to the March 28, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov. **Provider had non-smoking signs but needs to include phone number and website on signs.**

☐ 110.5(1)q All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. **Provider had exams from last year but both pets are due for annual exams. Please make sure to use new vet form. You can find this on-line at DHS website or contact CCRR for assistance.**

☐ **110.5(2) A provider file is maintained and contains:**

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. **Family physicals expired on 3/2013. The provider and household members need to obtain new physicals. Please use the new provider physical form for all household members. You can find this on-line at DHS website or contact CCRR for assistance.**

☐ 110.5(2)d An individual file is maintained for each substitute and contains: **On the date of the visit, provider was using husband for substitute. Husband needs to be added to registration as a substitute. Provider agreed to contact Central Office in the next 7 days to make changes.**

☐ 110.5(2)d A completed DHS Criminal History Record Check, form B, 595-1396.

☐ 110.5(2)d A completed Request for Child Abuse Information, form 470-0643

☐ 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.

☐ 110.5(2)d Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

☐ **110.5(8) Children's Files**

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. **Provider had a file for all children. All children were missing physicals in files and many were missing immunizations. DHS compliance will make referral to CCRR in order to assist provider with forms for children's files.**

Each file contains:

☐ 110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐ 110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian.

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐ 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

☐ 110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

☐ 110.5(8)i Written permission from the parent(s) for their child to attend activities away from the child development home. It must include times of arrival and departure, destination, and person(s) responsible for the child. **Provider had no forms for**

☐ 110.5(10)d Use of a substitute is limited to: No more than 25 hours per month. An additional period of up to two weeks in a 12-month period. **There were no documented hours so there is no way to show whether provider has been compliant with this.**
